

Manufacturing Technician/Assembler (Marlborough, MA)

Our successful start up company has more orders than we can keep up with! We need help now, and we need people who can learn and grow with us.

If you are interested in working in a clean and friendly atmosphere and can bring:

- A desire to work carefully to produce a perfect product every time
- An ability to follow directions and learn the established procedures
- Basic dexterity in handling the product and tools
- An orderly approach to getting things done
- A positive attitude and successful work history
- Basic laboratory and computer skills would be helpful
- Mechanical aptitude and skills - a must!

We will provide:

- Training for all the steps needed, no related experience necessary although previous manufacturing experience a plus
- A safe and clean environment
- A path to more challenging work in the future with growth potential
- Steady work – Part time to Full time
- Fair pay -- and the chance for a raise after 3 months

WaterSep BioSeparations develops and manufactures products used in the Biotech and Pharmaceutical markets. If you are interested in joining our team, we would like to hear from you. Please send a resume and tell us why we have what you've been looking for.
