

**Marilyn Whalley**

Executive Director

Marlborough Economic Development Corporation

Marilyn has over 15 years of experience in Community and Economic Development. She served for five years as the Director of the Wareham Community and Economic Development Authority and previous to that served five years as the Executive Director of the Onset Bay Association, a downtown economic development organization. She has had considerable expertise in program development, grant writing and grant administration.

Marilyn's Marlborough Economic Development Corporation responsibilities include overall administration of all activities carried out under the organization's authority. She is tasked with supporting all economic development initiatives that come about as a result of the strong partnership and common economic development goals that will be further developed with Marlborough Mayor Nancy Stevens and the City Council.
